PS70 WALK-BEHIND SWEEPER

Simple Easy-to-Use Controls

Large Hopper Filtration For Dust

Large Capacity Debris Hopper

- Vacuum Assisted High Productivity Sweeping
- Large Filtration for Dust-Free Sweeping
- Heavy-Duty Modern Industrial Design
- Side Brush for Ease-of-Edge Sweeping
- Heavy-Duty Industrial Quality
- Battery & Petrol Models Available

The PowerSweep PS70 Walk-Behind Sweeper is the result of extensive research and development into the combination of debris sweeping and dust filtration technology. The resulting machine design combined with the rugged construction provides a machine that is very efficient in dust-free sweeping which will last many years, making it an ideal solution for many smaller sites or narrow access applications.

The PowerSweep PS70 is a compact, simple-to-use sweeper that is well-suited to warehousing, manufacturing, retail, carparks, pathways, internal and external use, and all applications that require a compact high-performance sweeper. The PowerSweep PS70 is available in Battery & Petrol power options.
